

# GEARENCH™

## PETOL™ FITTING TONGS

PETOL™ FITTING TONGS are designed to make up and break out connections having narrow or confined gripping areas. The tongs are easily applied and removed, and are available in two sizes to provide proper leverage for the job.

The handles are drop-forged steel and have a heavy duty I-beam design. Both sizes are equipped with heat-treated PETOL Special Chains which can be furnished in longer lengths for working larger diameters.

CATALOG NO.	PIPE SIZE	GRIPPING WIDTH	TONG LENGTH	WEIGHT	CHAIN TENSILE STRENGTH
